

Python ARM Radar Toolkit (Py-ART) Roadmap

Introduction and Aims

About Py-ART and a history and what we want to do with this document

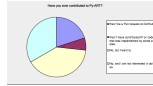

Figure 1: and image

The Py-ART Roadmap Survey

Description and methods and lots of images

User Use Cases

Nesbitt group

meteo-swiss

Varble group

Overarching Goals for Next Five Years

Freeform discussion of where we want to be

Priority Features

In priority order the features we want added either by ARM or features that if they are in a PR we will be very happy to help with this PR
